Description

airasia: Book Flight and Hotel V5.0.4-2311 Android Mobile App.

The airasia Super App is the only app you'll need for all your lifestyle and travel needs. As an online travel agency, the app enables you to book flights with over 700 airlines to 3,000 locations. Plus, it offers a choice of over 600,000 hotels across the globe.

On the super app, you'll find many features to make your travel smooth and seamless.

Manage your booking

Cheap flight booking or the best hotel deal - manage it all in one place!

If you are travelling on an AirAsia flight, you can book your meals, pick your seat, increase your luggage allowance and purchase insurance

Contactless check-in

Check-in for your flight on the super app and avoid crowds at the airport.

Generate your e-boarding pass

Get an e-boarding pass via the app, which you can use to board the aircraft.

Chat with travellers

Connect with fellow travellers including those heading to the same destination as you or, those who share similar interests.

Earn airasia Points

airasia rewards is now part of the airasia Super App. Previously called BIG Rewards, the product is now known as airasia rewards and integrated into the app. This loyalty programme moves from BIG Rewards to its new home with even more exciting features you've come to love from BIG Rewards. It features an improved points management feature where you earn, track and manage points directly on the app.

Your complete 2-step travel experience begins here!

Step 1: Book an affordable flight!

As the newest online travel agency in the region, the app offers both domestic and international flights with over 700 airlines globally. Not only can you get cheap airfare on AirAsia flights, but you will also love the amazing discounts with other carriers like Singapore Airlines, Cathay Pacific, KLM, Turkish Airlines, Emirates, Etihad and Qatar Airways.

For cheap flights and discounted pricelines, there's no better option than the airasia app. With just a few simple steps, making your flight booking has never been easier.

Step 2: Find a cosy place to stay!

Now that we've taken you to your dream destination, let's get you checked into the best hotels. The airasia Super App also includes hotel bookings with over 600,000 affordable hotel rooms, villas and serviced apartments ready for your picking - making it a preferred hotel booking app for the world.

Take your pick from fab hotels under the Marriott Bonvoy, Starwood, Shangri-la, Wyndham, IHG Hotels 7 Resorts, Accor, Hilton Honors and Taj groups. Or you can even choose from the hundreds of hotels under the OYO group. You have the freedom to choose whatever hotel rooms you want for your trip.

Download the airasia app now and start enjoying a world of travel and lifestyle privileges!
