Berjaya Corporation Berhad is a Malaysian-based corporation which controls a wide array of businesses, including consumer marketing, property development and investment, as well as hotels, resorts and recreation development.

Berjaya Corporation Berhad (MYX: 3395; formerly known as Berjaya Group Berhad, Inter-Pacific Industrial Group Berhad and Raleigh Berhad) is a Malaysian-based corporation which controls a wide array of businesses, including consumer marketing, property development and investment, as well as hotels, resorts and recreation development. It also specialises in gaming and lottery management, food and beverage, motor trading and distribution, investment on environmental services and clean technology, and telecommunication and information technology-related services and products.

The corporation is founded by local business magnate Vincent Tan.
