The Federal Ministry of Education and Research (See TfdGerman: Bundesministerium für Bildung und Forschung, pronounced **bʏndʁsminʔsʔteʔiʔm fyʔʔʔ bʔldʔʔ nt ʔfʔʔʔʔʔʔ** ?), abbreviated BMBF, is a cabinet-level ministry of Germany. It is headquartered in Bonn, with an office in Berlin. The Ministry provides funding for research projects and institutions (aiming for "research excellence") and sets general educational policy. It also provides student loans in Germany. However, a large part of educational policy in Germany is decided at the state level, strongly limiting the influence of the ministry in educational matters.
