SYNOPSIS: When BoBoiBoy is going camping with his friends and his ninth-generation Power Sphere companion Ochobot, he spots a chase between the police and a group of robbers, which turns out to be a part of a robbery in progress. Instead of going to the camp, he decides to catch the robbers and leaves Ochobot alone. BoBoiBoy eventually manages to help the police find the robbers, going to Tok Aba's Kopitiam forgetting the camping trip which he only went when Aba reminded of it.

A gang of Kubulus Power Sphere hunters, the Tengkotak, led by Bora Ra, plan to capture Klamkabet, the first generation Power Sphere. Bora Ra becomes angry and threatens Yoyo Oo to either search for it or expel him from his spaceship. He nervously searches for it, but finds another Power Sphere with a lower frequency than Klamkabet. Yoyo Oo lies that he found Klamkabet's location.

Arriving late to the camp, BoBoiBoy meets Papa Zola, who motivates him to persuade his friends to go squid fishing. BoBoiBoy later agrees to follow Papa Zola. The next day, Bora Ra and Gaga Naz demand BoBoiBoy to give up Ochobot. Ochobot gets taken by the Tengkotak, with Adu Du and Probe stowing away at Tengkotak's ship. Back at the town, Fang comes late to Tok Aba's Kokotiam.

BoBoiBoy and his friends ask Papa Zola to help them find Ochobot. They find a clue about the floating island's location, which is near the lighthouse. Adu Du finds Kiki Ta and falls in love with her. After a conversation between Probe and Bora Ra, the other Tengkotak members erupt with laughter, leading to a heated squabble. As they notice that BoBoiBoy is near, Bora Ra gives Adu Du the Kurita, a small squid that enlarges when exposed to water. Adu Du and Probe set off with it.

Meanwhile, Zola realises that Adu Du is coming closer. They eventually encounter Adu Du and Probe and questions him of Ochobot's whereabouts. Kurita, exposed to the seawater, grows to a gigantic size and attacks the goat and Adu Du. Escaping from Kurita, they eventually land on the big island. After a chase, Zola has Gopal turn it to food.

Meanwhile, Yoyo Oo monitors Ochobot's movements. Klamkabet emerges from nowhere and attacks Ochobot, losing the latter's transmission. Consequently, Bora Ra commands Yoyo Oo to release a creature dubbed 'J-Rex'.

Ying finds Ochobot, who is seen being 'controlled' by Klamkabet. BoBoiBoy hastily attacks him, suspecting him as one of the Tengkotak members until Ochobot stops him. They end up listening to Klamkabet's story about himself and the Kubulus aliens of Ata Ta Tiga. However, Bora Ra finds them and attacks them, only escaping with Klamkabet's help. At the camp, Papa Zola, on his own, captures Adu Du and Probe. The former lies to him, claiming Tengkotak kidnapped BoBoiBoy and his friends. Back at the cave, Klamkabet brings BoBoiBoy and his friends to the Power Sphere Lab, where new Spheres are created confronting Bora Ra and Gaga Naz. Afterwards, Gaga Naz assumes his enemies were dead and his work done. After Bora Ra captures Klamkabet, they return to their spaceship. Unbeknownst to them, BoBoiBoy and his friends were hidden below the platform.

Adu Du and Probe trick an angry Papa Zola into locating BoBoiBoy's theme to which he demands them their location. They all get a surprise attack from J-Rex, revealed as a giant shark with legs, and flee to safety from the creature. Zola saves the J-Rex which joins their side, threatening to drop Adu Du and Probe if they do not want to join him too. They try to infiltrate Tengkotak's spaceship only to be captured by Gaga Naz and Kiki Ta.

BoBoiBoy's team arrive in front of the Power Sphere Lab, where computer lab orders Ochobot to upgrade while Klamkabet is tortured by the Tengkotak. Ochobot upgrades with a new appearance, suddenly gaining teleportation powers. Bora Ra and Yoyo Oo are surprised at the knowledge of Klamkabet's absence of the teleportation power. Ochobot reveals his plan to teleport to safety from the Tengkotak. However, Boboiboy aborts the plan knowing of another way. Bora Ra demands to give Ochobot with Zola, Adu Du, and Probe as his hostages. Boboiboy reluctantly gives Ochobot to the Tengkotak.

Finally having Ochobot, Bora Ra destroys him to gain the teleportation power, but before he dies he gives the group enhanced Elements, upgrading Fire and Water into Blaze and Ice. Zola, Adu Du and Probe are recaptured by Yoyo Oo and Kiki Ta, but before Kiki Ta can kill them, J-Rex provides a distraction. Bora Ra attempts to teleport, only to discover that Adu Du tricked Yoyo Oo into giving him the fake teleportation coordinates. After BoBoiBoy traps Bora Ra in his own black hole, Klamkabet sacrifices himself to give Ochobot the teleportation power, reviving Ochobot.

Zola introduces the J-Rex to his friends while Koko Ci reveals himself to be the one foiling the Tengkotak, capturing them.
