Club del Sushi Vector Logo Free Download

"Club-del-Sushi" appears to refer to the Aspen Sushi Club, a community founded by Chris Stamp and Chef Nobu Matsuhisa in 2021. They aimed to create a space that celebrates quality food and art, with their friendship initially rooted in a shared passion for sushi, the arts, travel, and fashion. It's not a specific type of sushi or a widely known restaurant, but rather a community-focused initiative.
