The 2024 Copa América was the 48th edition of the Copa América, the quadrennial international men's soccer championship organized by South America's football ruling body CONMEBOL. The tournament was held in the United States from June 20 to July 14, 2024, and was co-organized by CONCACAF.

This was the second time that the United States hosted the tournament, having hosted the Copa América Centenario in 2016. Argentina was the defending champion, and won a record sixteenth title after defeating Colombia 1–0 after extra time in the final, which was played on July 14, 2024, at Hard Rock Stadium in Miami Gardens, Florida.
