Dragged Across Concrete is a 2018 American neo-noir crime thriller film written and directed by S. Craig Zahler. It stars an ensemble cast that includes Mel Gibson, Vince Vaughn, Tory Kittles, Michael Jai White, Jennifer Carpenter, Laurie Holden, Fred Melamed, Udo Kier, Thomas Kretschmann, and Don Johnson. The story follows two childhood friends and two police detectives who are suspended for police brutality who in a desperate need for money, are embroiled in a robbery done by a professional thief.

Zahler started working on Dragged Across Concrete right after he finished development of his previous film Brawl in Cell Block 99, which also starred Vaughn, Carpenter, and Johnson. Vaughn recommended Zahler to Gibson, who he previously worked with in Hacksaw Ridge, and Gibson agreed to star in the film, later followed by Kittles and White. Filming took place in Vancouver, British Columbia between July and September 2017 under a production budget of \$15 million.

It premiered at the 75th Venice International Film Festival on September 3, 2018, and received a limited theatrical and video-on-demand simultaneous release from Summit Entertainment on March 22, 2019. It was met with a mixed to positive critical reception, with praise directed toward Gibson's performance as well as its dark setting and themes; although it was criticized for its lengthy runtime, and excessive violence. The film received several nominations at the 45th Saturn Awards, but was also shortlisted for "Worst Reckless Disregard for Human Life and Public Property" at the 40th Golden Raspberry Awards.

SYNOPSIS: In the fictional city of Bulwark, recent parolee Henry Johns chastises his mother for returning to prostitution and taking drugs, before reuniting with his handicapped younger brother Ethan.

Three weeks later, police detectives Brett Ridgeman and Anthony Lurasetti are suspended without pay by the police department after a video surfaced revealing them committing police brutality on a drug dealer. Both detectives are desperate for money, with Ridgeman needing cash to

move to a safer neighborhood for his family, while Lurasetti stalls in proposing to his girlfriend Denise. On a tip from Friedrich, a wealthy businessman with criminal connections, Ridgeman recruits Lurasetti to help him surveil and rob Lorentz Vogelmann, a professional thief.

Henry and his childhood friend Biscuit are hired by Vogelmann as getaway drivers, whose men, Black Gloves and Grey Gloves, have committed a series of robberies to buy a customized bulletproof van. Vogelmann and his crew then rob a bank, taking the employees and customers as hostages. A bank employee, Kelly Summer, who came back to work from her maternity leave, is executed by the bank robbers after preventing a colleague from notifying the police via email. The thieves castrate the bank manager and then escape with the bullion and a hostage, Cheryl, while being tailed by Ridgeman and Lurasetti, which Henry notices. Unsettled by Vogelmann and his henchmen's brutality, Henry and Biscuit are then forced to surrender their weapons. Realizing they may be killed, Henry chooses not to reveal to Biscuit or the thieves that they are being followed by the detectives. Lurasetti learns of the atrocities committed by the thieves and berates Ridgeman for not intervening sooner or notifying the authorities, but Ridgeman asserts that law enforcement would be too late, and only the two of them can deal with the thieves. Lurasetti opts against delaying his marriage proposal to Denise and leaves her a voicemail guiding her to the engagement ring.

Arriving at a garage in the countryside, Biscuit leaps out of the van and is shot, as Henry wounds Grey Gloves with a hidden gun. Mortally wounded, Biscuit swallows the van's key, imploring Henry to take care of his mother, and is shot dead by the thieves. Cheryl is sent to pull Biscuit's body into the van and Black Gloves cuts the key out of Biscuit's stomach, as Ridgeman and Lurasetti arrive and ram the van, knocking it over. Cheryl is coerced by Vogelmann into faking an escape that lets her shoot Lurasetti, and she is executed by Ridgeman in turn. Ridgeman then quickly kills Black Gloves as he exits the van. Ridgeman hands the dying Lurasetti his phone and Lurasetti listens to a voicemail from Denise, declining his proposal, before he succumbs to his wounds.

Ridgeman fills the van with tear gas, and kills Grey Gloves just as he surrenders. Before Ridgeman can torch the van, Henry fires a warning shot and insists that the valuable contents of the van be spared. Ridgeman climbs on top of the van and kills Vogelmann before the latter can shoot him through the retractable slit. Henry shoots Ridgeman in the foot and reveals that he has recorded the entire incident on his cellphone and identifies Ridgeman as a detective. Disarming Henry, Ridgeman proposes they split the score, and together they load the bodies and the bullion in the getaway car. After towing Lurasetti's car to a dump site, Ridgeman reveals a hidden firearm and threatens Henry to get him to delete the video. Henry and Ridgeman both shoot at each other, with Henry mortally wounding Ridgeman. Henry agrees with the dying Ridgeman to bury Lurasetti and take care of Ridgeman's family, and later buries all the bodies, promising the deceased Biscuit that he will return and give a proper burial to his friend and the two detectives.

Eleven months later, Henry lives in a lavish mansion with his mother and brother. He sends Ridgeman's family a package containing a share of the gold bullion.
