Introduce your logo with a trendy and elegant outline style animation. Catch your audience's attention with a touch of elegance that your viewers will appreciate and remember.

The trendy logo intro is perfect for openers, intros, logo reveals, youtube intros, and practically any type of promo video.

With the included control panel, you can customize everything.

- Turn on/off the outline stroke
- Invert the colors (white logo on black background)
- Add colors to the stroke and background
- Activate the full colors of your logo
- Adjust the outline/stroke scale
- Add your custom tagline
- 4K or FullHD versions
- Mix everything above to create an entirely new look

The template includes a video tutorial and PDF guide to get you up to speed. The template also features universal expressions, to ensure it works with all AE languages.
