Description

Feedzy RSS Feeds Bundle WP Plugin Free Download

The most powerful WordPress RSS aggregator, helping you curate content, autoblog, import RSS & display unlimited RSS feeds within a few minutes.

FEEDZY Version Included: v3.0.0 to v4.4.4

– The Powerful RSS Aggregator, Content Aggregator, and RSS import Plugin for Autoblogging

The Ultimate WordPress RSS aggregator, helping you Curate content, Autoblog, Import RSS, News aggregator, YouTube video feeds aggregator and display unlimited RSS feeds within a few minutes.

With FEEDZY RSS Aggregator, you can sit back, let your site autoblog and always stay fresh with new content, which in return helps improve content marketing, boost your SEO, increase audience engagement, and probably earn more money.

FEEDZY RSS Aggregator helps you aggregate unlimited RSS feeds and automatically publish them on your site within a few minutes.

? WHAT YOU CAN DO WITH FEEDZY RSS AGGREGATOR:

Feed to post (our most loved feature ?): automatically convert RSS feed items to WordPress pages, posts, and custom post type.

Automatically import and aggregate unlimited RSS feeds from unlimited sources

Bulk import and organize multiple feed sources of similar topics into Categories. See how our user, Barry Seward, loves this feature here

Easily display RSS feeds using shortcodes, Gutenberg blocks, or widgets in your third-party page builders like Elementor

Import images with your RSS feeds or use your own image/logo for feeds without image. We know visuals are important and do not want your site to have a boring list of text and links.

Control the number of items ? you want to display for a feed source. Just want to display 1 article or 20 articles in a block? You've got it with one click.

Worried if the imported feed articles' titles are too long and might not look nice on your site? Change them with the Title Character Limit function.

Choose your own caching time and how often you want to pull RSS feeds to ensure the best performance for your site.

Create a sidebar of your imported feed items.

Control which meta ?? fields you want to display, such as author, date and time of the RSS feed.

Responsive content ? across platforms.

YOU SHOULD USE FEEDZY RSS AGGREGATOR IF:

You own a news site; you want a WP news aggregator to make sure your site always updated with the latest news

You own a blog; you need a WP content aggregator to autoblog and keep your audience engaged with fresh content
