### Description

Flag of The Japan Self-Defense Forces Vector Logo Free Download

The Japan Self-Defense Forces (JSDF, Japanese: 自衛隊; Hepburn: Jieitai), also known as the Japanese Armed Forces, are the unified military forces of Japan. Established in 1954, the JSDF comprises the Japan Ground Self-Defense Force, the Japan Maritime Self-Defense Force, and the Japan Air Self-Defense Force. They are controlled by the Ministry of Defense with the Prime Minister as commander-in-chief.

Since the end of the Cold War, and particularly into the 21st century, increased tensions with North Korea, China, and Russia[10] have reignited debate over the status of the JSDF and their relationship to Japanese society. The JSDF have prioritized greater cooperation and partnership with Australia, India, Taiwan, South Korea, Singapore, the United Kingdom, and the United States, as well as acquiring new equipment and hardware.
