Description

HLB Connect V1.1.15 Mobile Banking Android Mobile App

HLB Connect App is designed to make your day-to-day banking easy with its features that enable you to get more done without having to step foot in a bank's branch or to call the Contact Center. The app offers language options (English, BM & Chinese) and Day/Night mode for your customisation.

- Account overviews – Check balances, view transaction histories, download e-statements.
 - Fund Transfers – Send money via QR Code, recipients' account number, mobile number or other IDs.
 - Bill Payments – Pay up to five billers within a single transaction.
 - Fixed Deposits – Place or withdraw Fixed Deposits using funds from your account with HLB or other banks.
 - Credit Card Services – Instant reporting of lost/ stolen card or fraud, instant approval of temporary increase in credit limit, request for card replacement, Balance Transfer, Flexi Payment Plan, Quick Cash and more.
 - Prepaid reload and cardless Connect ATM withdrawal.
 - Manage Debit Card settings, daily transaction limits and more.
- Less time spent banking, means more time for everything else. Download now.
