Holiday Inn Express is an American-based mid-priced hotel chain within the IHG Hotels & Resorts family of brands. Originally founded as an "express" hotel, their focus is on offering limited services at a reasonable price. Standard amenities lean toward the convenient and practical which cater to business travelers and short-term stays. As of September 2019, there are 2,826 Holiday Inn Express hotels featuring over 292,000 rooms worldwide. The chain's concept was intended to target the "upper economy" market segment.

In Europe, the hotels were known as Express by Holiday Inn, but this variation was phased out during a rebranding which was announced in 2006.
