Ladybug & Cat Noir: The Movie (French: Miraculous, le film), also titled Miraculous: Ladybug & Cat Noir, The Movie in some territories, is a 2023 French animated musical romantic superhero film directed and co-written by Jeremy Zag. It is an adaptation of the animated television series Miraculous: Tales of Ladybug & Cat Noir, and follows two Parisian teenagers, Marinette Dupain-Cheng and Adrien Agreste, who transform into the superheroes Ladybug and Cat Noir, respectively, to protect the city from supervillains led by Hawk Moth.

The film was announced in 2018, but production began in 2019, with confirmation that the plot will explore the origins of the franchise. Jeremy Zag was confirmed as director and co-writer with Bettina Lopez Mendoza. Zag also serves as a producer through ZAG Studios with Mediawan, both under The Awakening Production banner, with SND, the latter also serving as distributor. The film was animated by Mediawan's ON Animation Studios in Montreal, Canada. It is the second theatrical film based on a TF1's TFOU animated series after the 2009 film Totally Spies! The Movie. On a budget of €80 million, it is currently the second most expensive French film ever made.

Ladybug & Cat Noir: The Movie premiered at the Grand Rex on 11 June 2023, and was released in France on 5 July 2023, by SND. Internationally, it was released theatrically from the same date onwards in select regions, and was released on 28 July 2023 on Netflix in others. It received mixed reviews from critics, who praised the animation, soundtrack, and action sequences, but criticized the simplistic screenplay and story. It grossed \$40.1 million worldwide and performed well in some European territories but, due to the popularity of the franchise, was considered a box-office disappointment in France.

SYNOPSIS: Marinette Dupain-Cheng, a socially anxious teenager living in Paris, goes to school trying to avoid being noticed. Despite sparking a friendship with another student, Alya Césaire, Marinette finds herself desperately attempting to avoid the wrath of rich girl Chloé Bourgeois. While attempting to escape, Marinette runs into a boy named Adrien Agreste and develops a crush on him. Adrien has become incredibly emotionally distant from others because of his mother Emilie's passing. Similarly wracked by her death, Adrien's father, Gabriel Agreste, uses the Butterfly Miraculous, a magical jewel, to turn into Hawk Moth and create chaos in hopes of luring out the holders of the Ladybug and Black Cat Miraculoses. Since they combined possess a "power stronger than death", he hopes to use them to bring his wife back to life.

Hawk Moth's appearance is sensed by Wang Fu, guardian of the Miracle Box, who chooses to release the Ladybug and Black Cat Miraculoses, only for them to fly away. He chases after the Ladybug Miraculous and runs into the street in the process, but is saved from an incoming bus by Marinette, still running away from Chloé. Fu realizes that she deserves the Miraculous, as it flies into her bag. Marinette ducks into a corner shop in an alley and meets Tikki, the Kwami of Creation, while her polar opposite, Plagg, the Kwami of Destruction, makes his way to Adrien.

Tikki explains the situation to Marinette, who is reluctant to become a superhero due to her lack of confidence. Tikki eventually forcibly transforms her into the hero Ladybug, and she quickly runs into Adrien, who has now used his Miraculous to become Cat Noir. The two clumsily work together to defeat the Gargoyle, an "akumatized" villain created by Hawk Moth from negative emotions. Following the fight, Wang Fu follows them and stresses the importance of them working together.

Marinette initially refuses to continue being Ladybug, but Hawk Moth recruits more villains to wreak havoc. Gathering the courage to fight, Marinette transforms once again, and defeats them, alongside Cat Noir.

Some time later, Marinette plans to confess her feelings to Adrien, whilst Adrien plans to confess to Ladybug. Being unaware of their true identities, neither confession goes well, damaging their teamwork. While hurting from his rejection, Adrien lashes out at his father for being neglectful. Desperate, Hawk Moth akumatizes himself and lays waste to Paris, prompting Ladybug and Cat Noir to go into action, though not as a united team. The heroes are overwhelmed, and Ladybug has her earrings taken, but Marinette manages to briefly power through to save Cat Noir from Hawk Moth. When Cat Noir's mask is damaged, a horrified Hawk Moth discovers that Adrien is Cat Noir and renounces his Miraculous powers. Gabriel explains himself to Adrien and repents, and realizes that the "power stronger than death" was referring to love. Seeing him remorseful for his actions, Adrien forgives his father, while Marinette reclaims her earrings and returns the Butterfly Miraculous to Wang Fu. Ladybug is able to utilize the full extent of her power of creation using love, and repairs all the damage done to Paris. Gabriel is possibly arrested for his crimes, while Marinette returns to her family.

Months pass, and the day of the Winter Ball arrives. Marinette arrives in a beautiful dress much to the crowd's pleasure. She finds Adrien, revealing that she knows his identity, having seen his reconciliation during the fight, and reveals her identity as well. They then share a kiss.

At the Agreste Mansion, Nathalie Sancoeur, the Agrestes' assistant, enters a hidden room in Gabriel's office. Inside is the body of Adrien's mother, wearing the Peacock Miraculous. A voiceover from Gabriel instructs her to keep it a secret.
