Description

Now, you can have access to your Postpaid and Prepaid account within seconds by using MyYes app.

Manage your account, check & pay your latest bills, view your plan usage, purchase add-ons or even receive alerts from the convenience of your phone.

Key Features:

- View your plan usage and unbilled amount
- Check your latest bill
- Make payment for your bill
- Reload your Prepaid credit
- Purchase add-ons
- View your account status
- Check your credit limit
- Be on the alert with what's happening with Yes4G
- Stay up to date with our latest promotions

Data usage on Yes is not chargeable while connected to our Yes4G network. However, there will be minimal charges for any alert being pushed to your mobile.
