SYNOPSIS: Naruto Shippuden the Movie (Japanese: ??? NARUTO??? ???, Hepburn: Gekij?ban Naruto Shipp?den) is the fourth overall in the Naruto film series and the first Naruto: Shippuden film, directed by Hajime Kamegaki and written by Junki Takegami. The movie is set after episode 32.

The film opens with a prediction that Naruto Uzumaki dies battling a monster. A funeral is held for Naruto at his home village, where others attend. Tsunade looks out at the window and ponders if everything is just decided by fate.

A few days earlier, a man named Yomi attacks a shrine to retrieve the spirit of M?ry?, a demon attempting to conquer the world and create his "Thousand Year Kingdom". Since he is lacking a body, Yomi offers his as a temporary substitute until they can retrieve M?ry?'s original one. The only threat to M?ry?'s plan is a priestess named Shion, who has the ability to seal his spirit away once more; she can also foresee a person's death. He raises a stone army from their slumber to attack the rest of the world while his four subordinates go to eliminate Shion. They are given special chakra creatures to enhance their strength.

To deal with the threat, the Land of Fire sends out many advance teams to stall the stone army. Naruto, Sakura Haruno, Rock Lee, and Neji Hyuga are sent to guard Shion, and deliver her to the shrine where M?ry?'s body is kept. They fend off Shion's four would-be assassins, and afterward, Shion prophesies Naruto's upcoming death. Shion's total acceptance of "fate", as well as her selfish attitude, provokes Naruto into

antagonizing her. As they head for the shrine, they are again ambushed by the assassins, and Shion is seemingly killed. It turns out to be a ruse: the dead "Shion" is actually her servant, Taruho, acting as a decoy by the use of the Shadow Mirror Body Transfer Jutsu. After Neji tells Naruto to escort Shion to the temple alone, Shion explains that her predictions work by using others' lives to protect her own. Naruto insists that he will survive and likewise will keep Shion safe.

Together, Sakura, Lee, and Neji defeat the assassins, and at the mountain temple where M?ry?'s body is kept, Naruto and Shion find the stone army waiting. Naruto holds the army back, while Shion heads inside to begin the sealing ritual, where Yomi tricks Shion into beginning the technique with him inside the barrier, allowing M?ry?'s spirit to reunite with his body. After Kakashi Hatake, Might Guy, Shikamaru Nara and Temari destroy the stone army, Naruto comes to rescue Shion. About to see her prediction of his death come true, Shion uses her bell's power to change Naruto's fate. She is able to tap into her true powers, intending to kill herself and M?ry? to save Naruto (for whom she has developed feelings for). Naruto stops her seconds before her death, and creates a giant Rasengan (???, lit. spiral sphere, English manga: "Spiral Chakra Sphere") by combining Shion's chakra with his. Naruto drives the Rasengan into M?ry? and obliterates it.

In the final scene, Naruto asks Shion what she intends to do now. She replies that M?ry? was a demon created by the dark thoughts of mankind, and that there is bound to be another M?ry? someday. Because of this, she says that she must continue the line of priestesses that will suppress demons like M?ry?. Shion then asks Naruto if he will help her (a double entendre asking if he will be the father of her child), much to the shock of Sakura, Kakashi, and Lee. Naruto, clueless as usual, agrees without realizing the second meaning of her question.
