Description

Palmetto Retina Center Vector Logo Free Download

Palmetto Retina Center is the only specialized retina practice in central South Carolina, committed to providing the best retina specialist care for patients with macular degeneration, diabetic retinopathy, geographic atrophy, retinal tears and detachments, retinal artery and vein occlusions, uveitis, pediatric retinal care, and other retinal and macular conditions. They actively participate in retinal research and offer patients access to state-of-the-art clinical trials. Anyone seeking the best retina specialist in the central South Carolina area can visit one of their 7 convenient retina center locations.
