Description

Qatar Science Technology Park Vector Logo Free Download

Qatar Science & Technology Park (QSTP) is a home for international technology companies in Qatar, and an incubator of start-up technology businesses. Inaugurated in March 2009 as a part of Qatar Foundation, the purpose of the science park is to spur development of Qatar's knowledge economy. At an investment of more than \$800 million by Qatar Foundation, the QSTP also became Qatar's first free-trade zone.
