### Description

Rakan Muda Yakin Boleh Gemilang! Vector Logo Free Download

The Rakan Muda Program was officially launched by the Prime Minister of Malaysia on 29 October 1994 with the core mission of bringing forth the highest potential of the young generation to be able to support the nation's development goals.

The challenge of achieving this mission is to form a young generation that is complete with a set of pure values, positive thinking, mastering knowledge and skills to advance the future civilization. The Young Friends Program expressed through "Nine Lifestyles" combines the elements of Mind Development, Skill Development, Spiritual Development, Community Development and Physical Fitness.
