What for?

Perfect for making video promotion of hip hop dancers, vj leaders, fashion id or vlog channel opener and party events. You can use your own photos or video, type your titles and place this clip on video display into your boutique, shop, mailing invitation or dancing hall.

RHYTHMIC TYPO STOMP

Make dynamic and fashion style intro or video blog channel opener or promo with abstract and glitch effects! Is perfect for urban opener, tv show, new street trends or flash sale slideshow or any media opener. Even special events. You can use images instead of videos. Very simple and well-organized project. You can easily change the colors in just one simple step. Changing text, drop your media, audio and hit render. Fast rendering project. You don't need any Advance knowledge of After Effects in order to use this project. Even if you never worked with the After Effects you can watch the help file and complete the job. Rhythmic Typo Stomp is a high quality, well organized and easy customizing template. Just drop your image or video, edit the text, add audio and enjoy the result!
