Royal Arms of The Kingdom of Scotland Vector Logo Free Download

The Royal Coat of Arms of the United Kingdom is the official coat of arms of the British monarch, currently King Charles III. These arms are used by the King in his official capacity as monarch of the United Kingdom, and are officially known as his Arms of Dominion. Different versions are used by other members of the Royal Family; and by the British Government in connection with the administration and government of the country. In Scotland, the Queen has a separate version of the Royal Arms, a variant of which is used by the Scotland Office.

The shield is quartered, depicting in the first and fourth quarters the three passant guardant lions of England; in the second, the rampant lion and double tressure fleury-counter-fleury of Scotland; and in the third, a harp for Ireland.

The version used by the government does not have the helmet or lion, the version used by the government in Scotland does not have the lion or "In Defens" motto.
