PT Sawit Sumbermas Sarana Tbk. (SSMS) is a palm oil company based in Pangkalan Bun, Central Kalimantan, Indonesia. We envision ourselves as a world-class plantation company with a mission to realize the full potential of palm oil.

Our belief in palm oil as a crucial answer to address future surge of edible oil needs, fuel national development and bring real benefits to communities and the environment is what motivates us. We thus operate all our plantations and mills in accordance with the industry's best practices and sustainability standards.
