Description

Semen Indonesia Vector Logo Free Download

PT Semen Indonesia (Persero) Tbk, commonly known as SIG, is an Indonesian cement company established in 1957 in Gresik, with the name NV Semen Gresik. In 1991, PT Semen Gresik became the first publicly traded Indonesian state-owned enterprise. Furthermore, in 1995, PT Semen Gresik (Persero) Tbk consolidated with PT Semen Padang and PT Semen Tonasa which became known as Semen Gresik Group.

SIG Headquarters-South Quarter in Cilandak Jakarta Indonesia

On January 7, 2013, PT Semen Gresik (Persero) Tbk transformed into PT Semen Indonesia (Persero) Tbk, and acted as a strategic holding company that oversees Semen Gresik, Semen Padang, Semen Tonasa, and Thang Long Cement.

On January 31, 2019, SIG through its subsidiary PT Semen Indonesia Industri Bangunan (SIIB) has officially acquired 80.6% ownership of Holderfin B.V. placed and paid for at Holcim Indonesia. Furthermore, on February 11, 2019, through the mechanism of the Extraordinary General Meeting of Shareholders, the change of name of PT Holcim Indonesia Tbk has been approved to become PT Solusi Bangun Indonesia Tbk.
