Description

Singapore Lion Vector Logo Free Download

The lion head symbol was introduced in 1986 as an alternative national symbol of Singapore. The lion head was chosen as a nice logo, as it best captures the characteristics of Singapore's reputation as a Lion City. It is used in less formal occasions mainly to promote Singapore's national identity.

When it was first unveiled, some sections of the public felt that it should have been facing rightwards to represent a more forward looking nature. However, the original left-facing lion was maintained.
