Description

Starbucks Malaysia V3.2 Android Mobile App

The Starbucks® app is a convenient way to order ahead for pickup, scan and pay in-store and customize your favorites. Rewards are built right in, so you'll earn Stars towards free drinks and food on your purchases.

Mobile Order & Pay

Customize and place your order, then pick up from a nearby participating store without waiting in line.

Pay in Store

Save time and earn Rewards when you pay with the Starbucks® app at many stores in the U.S.

Earn Stars & Redeem Rewards

Join Starbucks® Rewards and unlock exclusive benefits while earning Stars with almost every purchase. Redeem Stars for free drinks, food and more. Starbucks® Rewards members can look forward to a birthday treat plus complimentary coffee and tea refills.*

Earn Stars even quicker with Double Star Days, Bonus Star challenges and Member exclusive games. No matter how you pay, you can earn Stars on your order. Up to 3 Stars/\$1 with Starbucks Rewards Visa Card, 2 Stars/\$1 with a Starbucks Card, and 1 Star/\$1 with cash, credit/debit and PayPal. Some restrictions apply.

Send a Gift

Say thanks with a digital Starbucks Card. It's easy to redeem a digital card from email or in the Starbucks® app.

Manage Starbucks Cards

Check your Starbucks Card balance, add money, view past purchases and transfer balances between cards.

Find a Store

See stores near you, get directions, hours and view store amenities before you make the trip.

Tip Your Barista

Leave a tip on purchases made with the app at many stores in the U.S.

*At participating stores. Restrictions apply. See starbucks.com/rewards for details.
