Thomas & Friends: Big World! Big Adventures! The Movie 2018 is a children's television series about the engines and other characters on the railways of the Island of Sodor, and is based on The Railway Series books written by the Reverend W. Awdry.

This article lists and details episodes from the twenty-second series of the show, which began airing on 3 September 2018 in the UK, and on 17 September 2018 in the US.

Retitled as Thomas & Friends: Big World, Big Adventures!, Series 22 saw the first major changes since the show switched to full CGI animation in the thirteenth series. The episodes kept their eleven-minute-long runtime, but were now divided into seven minute-long stories, with an additional four minutes reserved for a variety of segments, such as sing-along karaoke songs and music videos, or Thomas talking directly with the audience about lessons learned during a particular episode.
