The best way to promote your website – that template! Original project for making promotion of website or landing page in fresh style and original motion design.

WEBSITE PROMO | 2

Website Promo 2 is a template that can be used for demonstrating and advertising applications of computer or laptop or mobile, tablet apps, services and websites and their user interface. The placeholders are suitable for screenshots, video and any animation. Website Promo | Z21 is a continuation of this popular series and completely built in After Effects. Great to promote your new app or website! Simply drop a picture of the website into the screen placeholders, change the text and render.

MAIN FEATURES:

4K (3840x2160) / FullHD (1920x1080) resolution available / 30 fps

After Effects CC 2013, CC 2015, CC 2016, CC 2017, CC 2018, CC 2019, CC 2020 or higher software

1:00 min duration

9 scenes with placeholders for media (photos, screenshots of your landing page or video if you want) and titles (you can type any text)

Universal expression available. You can use any language software

No plugin required / 100% After Effect

PDF tutorial included!
