Wedding is a clean and dynamic After Effects template with a gorgeous design, soft light leaks, simple text animations and smooth transitioning effects. This template contains 37 photo/video placeholders and 5 editable text layers. It's child's play to use. A wonderful way to show off your wedding, anniversaries, valentine's days, romantic moments, special occasions, memories, travelling, vacations, holidays, friends and family photos. Impress your audience with this professional looking and exquisitely animated AE template. No plugins required. Full HD.
