Wheely Ltd., commonly known as Wheely, is a Swiss-founded British vehicle for hire company based in London that allows users to book chauffeur-driven journeys in a luxury vehicle either on-demand or in advance. Its services are accessed through its mobile apps on the Android and iOS operating systems, and are available in London, Paris, Moscow, and St. Petersburg. Wheely launched in Dubai in 2024.

Wheely was founded by Anton Chirkunov in 2010. As of early 2020, Wheely had US\$110 million annually in bookings and a total passenger base of 80,000 customers. In 2014, Wired listed Wheely as one of the "hottest" European startups; In 2019, The Financial Times included Wheely in a list of the 1,000 fastest-growing companies in Europe.
