Description

WooCommerce Shipping Services V1.4.0 WP Plugin Free Download

pluginhive Woocommerce Shipping Services v1.4.0

The #1 Shipping Solution for WooCommerce Store Owners

Automate shipping with Live Rates, Once-Click Label Printing & Order Tracking for major carriers like UPS, USPS, FedEx, DHL, Stamps, Aramex, Blue Dart, Australia Post, Canada Post, & other popular shipping carriers!

Designed for WooCommerce

PluginHive's WooCommerce Shipping Services integrates seamlessly with your store.

This is the only solution that allows you to perform all the shipping tasks including printing labels and monitoring shipments right within your WooCommerce dashboard

Can't find your preferred shipping carrier?

If you are not able to find your preferred shipping carrier in the above list and want us to integrate it for you, feel free to contact PluginHive support.

We will be more than happy to do the intrgration for you.

Integrates seamlessly with your

WooCommerce Multi-Vendor solution

PluginHive's WooCommerce Shipping Services is the only solution that is completely integrated with the top WooCommerce multi-vendor solutions and streamlines the shipping process for vendors.

Supported WooCommerce Multi-Vendor Plugins:

DOKAN Multi-Vendor & WCFM Multi-Vendor

Get PluginHive's WooCommerce Shipping Services Popular, Premium, or Enterprise payment plan to empower your WooCommerce multi-vendor store today!
