Description

WoowBot Pro Max WP Plugin Free Download

WoowBot Pro Max V13.6.3 is a Plug n' play WooCommerce Shopping ChatBot that can help Increase your store Sales perceptibly. Shoppers can converse fluidly with the Bot – thanks to its Integration with OpenAI(ChatGPT) and Google's Dialogflow, Search and Add products to the cart directly from the chat interface, get Support and more!

The Onsite Retargeting helps your Conversion rate optimization by showing special offers and coupons on Exit Intent, time interval or page scroll-down. Track Customer Conversions with statistics to find out if shoppers are abandoning carts.

WoowBot is an advanced WooCommerce ChatBot.

You can make this plug n' play ChatBot to work with any language and also integrate with the Google's DialogFlow.

Shoppers can converse with the bot, select and buy products from the chat interface. WoowBot also provides FAQ Support, eMail user query, Quick Cart, Order Status, Recently Viewed Products, ShortCode for landing page, Mobile Apps and more features!

The Onsite Retargeting helps your Conversion rate optimization by showing your special offers and coupons on Exit Intent, time interval or page scroll down inside the chatbot window. Get rid of those other Exit Intent popups with a chatbot that talks directly with the shopper. Reduce Abandoned Cart by showing timely messages with the Chat Bot! Track Customer Conversions with statistics and reporting to find out if shoppers are abandoning carts without completing orders. Increase your sales!
