Description

X8R-S Super Sport Vector Logo Free Download

Honda X8R-S Super Sport Scooter. The X8R-S (S stands for "Sport") is the normal model of the X8R and is more common than the X model. It was delivered in the normal version with the sponsor stickers of the respective Honda GP racing machines of the current year. There were also some special models that were optically based on the racing machines of individual Honda factory drivers.
