Description

Yoast SEO Premium V22.5 WP Plugin Free Download

Rank higher in search engines:

Simplify SEO and drive more traffic to your site using the most popular WordPress SEO plugin

Yoast SEO Premium:

Get AI-optimized SEO titles and meta descriptions for your posts and pages

Use AI to write SEO titles and meta descriptions for your posts and pages. It speeds up your work and does some of the thinking for you!

Optimize for up to 5 keywords per page

Rank higher for more searches! With just 1 page, you'll rank for up to 5 synonyms and related keywords. Get more visitors without the effort of creating extra pages.

Automatic redirects: so no more broken links or 404 errors

Old and renamed pages are seamlessly redirected. So you keep both your visitors and Google happy.

Get real-time suggestions for internal links

There's no need to figure out what to link to. You get suggestions for links to other pages as you write without having to remember all the pages you created!

Preview your page on Facebook and Twitter/X

You'll know exactly how your page appears when shared on social media. So you can make sure your preview convinces people to click.

24/7 support

Our support team loves to help you personally with every question you ask via email. Also on evenings and weekends!

Ads-free

There are no ads, so you can enjoy using the plugin without any distractions.
